Case Competition

Your idea for Bosch Thermotechnology

Be creative and solve real industrial problems

Kick-off: 5th May 2017

Your idea for Bosch Thermotechnology

Bosch challenges YOU

Develop new connectivity based business models and services along the customer journey of thermotechnology products

Take the chance

The members of the first three teams will be rewarded with great prizes for each team member and the opportunity to get an internship at Bosch.

Further Information & Registration

If you are interested to participate you can sign up and find additional Information under:

www.service-innovation-award.com

Registration closes May 5th.

All teams are invited to participate at the kick-off event on May the 5th at Bosch Thermotechnology in Wernau! We will organize the transfer. The top teams will pitch their ideas to a jury from Bosch Thermotechnology and university representatives.
